KNOWLEDGE *can be a powerful tool.*

Knowledge can be a powerful tool in maintaining your health. We're committed to improving the health and wellness of the community we serve. That's why Reading Health System is committed to providing healthcare professionals to share valuable information on health and wellness topics at your next program.

About

Reading Health System's Speakers Bureau shares valuable information about a wide range of healthcare topics that affect everyone in our community. And, there is no cost to your organization!

Our speakers, each with a distinctive style, are prepared to talk for 30 to 45 minutes. Some speakers have a formal presentation followed by a question-and-answer period. Others are less formal and encourage questions anytime during the presentation.
