

Disclaimer:

This directory contains a list of providers that are included in Tower Health's Level 1 benefit Tier. While great care is taken to make the directory complete and accurate, the listing of participating providers is dynamic and may change from time to time. Because the directories and the information are updated, it is important for you to check them periodically.

It is extremely important for you to verify your provider's tier status as higher out-of-pocket expenses will be incurred for procedures performed at a Level 2 or Out-of-Network Hospital or facility. Before receiving services, members should always verify with Capital Blue Cross if the provider, Hospital or facility is participating at Level 1 benefits.

In addition to the providers in this directory, Tower Health allows for the use of providers in the following specialty categories at Level 1 benefits:

- Durable Medical Equipment
- Hospice
- Outpatient Dialysis

Easily locate Tier 1 providers in these specialties by using The Capital Blue Cross MyCare Finder tool. Log in to your secure account at CapitalBlueCross.com and choose Find > Doctors to start searching. You can also contact CBC Member Services at 888-428-2566 for assistance.
